Consent2Go Reduced Activity Fee Instructions

Please note: there is no option to automatically provide a reduced activity fee for individual members prior to parents / guardians commencing the activity attendance process.

Example for Reduced Activity Fee: a Section is attending a two night camping activity; however, a youth member is only available to attend for one night.

- Parents / Guardians are required to liaise directly with your Section Leader to confirm the reduced activity fee. Your Section Leader will forward this information to our Leader in Charge (LIC).
- Commence your youth member's activity acceptance within Consent2Go. Pause when you arrive at the payment field.
- Parents / Guardians are required to email our LIC (gl.tamborinemtn@scoutsqld.au) indicating that you have reached this point. Please include your youth member's name and the activity within your email.
- Our LIC will manually enter a waiver into the payment field, and will reply via email indicating that this has been completed. Parents / Guardians are then required to complete the activity acceptance process.
- Our LIC will issue an invoice from Xero for this activity, at the reduced fee amount.
- **Our Group's Financial Commitment Policy still applies for members utilising this process.**
